

# MANSFIELD WOMEN OF TODAY

*Helping Hands Caring Hearts*

Volume 25 Issue 2  
**June, 2008**

## **FROM THE PRESIDENTS Lisa Ricker and Mary Joyce**

Aloha! Summer will be here officially this month and what a way to kick it off- putting on a Luau Party for 20 high school graduates on June 7th. It really makes me think of summers past.

Then we're on to helping out at the Women's Air Race on June 27th. Come down and meet these amazing women as they complete the race or host a team for dinner.

When June comes to an end we will be looking forward to two fun events in July-The Downtown Business Association's Family Fun Night on July 9th and our own Tropical GM on July 21st.

Hope to see everyone this summer.

Thanks,  
Lisa and Mary
